4 Current account overdrafts	7.85	7.50		7.22	

* Preliminary weighted 6-months moving average of commercial banks.

Notes:

- In October 2010, a new series was started due to the constitutional changes effective as of October 10, 2010. On that date, the Netherlands Antilles was dissolved. Curacao and Sint Maarten became autonomous countries and formed a monetary union, while Bonaire, Sint Eustatius and Saba (BES) became special municipalities of the Netherlands. Therefore, the data presented as of October 2010 concern only the monetary union of Curacao and Sint Maarten.
- All figures shown above should be considered preliminary, seasonally unadjusted and subject to revision.
- Amounts are rounded to millions of Netherlands Antilles guilders.
- Due to rounding, totals may not add up.
- For definitions of concepts used, reference should be made to the Explanatory notes to the tables in the Bank's Quarterly Bulletin.
